1) **ANSWERS TO SUBMITTED QUESTIONS**

Question #1 – Project #4 - For Ref # 2 – Edge of Road Undercuts, APP – the Description of Work references that the fill material can be millings, recycled concrete, or Item 304. Are the onsite millings available for these fills?

No, there will not be any millings available onsite for these fills. Any millings on site currently and any proposed to be hauled to the site have other planned uses.
