Dear Resident:

As part of the 2020 Roadway Improvement Program, the City of Oregon has awarded a contract to Helms & Sons Excavating, Inc., 1753 Lima Avenue, Findlay, OH 45840 for making repairs and paving Luverne Avenue, Lawnsdale Drive, and Eastvale Avenue. Construction is scheduled to **begin between July 16<sup>th</sup> and July 21<sup>st</sup>**, weather dependent, beginning with the contractor milling and removing a layer of asphalt on the roadway.

Following the removal of the top course of asphalt, the contractor will be making base repairs throughout the entire project area. Two layers of asphalt will be placed after base repairs are made.

The contractor will maintain one lane of traffic throughout the project limits. Access to driveways will be available at all times except while the paving operation is in front of the drive. Emergency access to drives will be available at all times. **No on street parking will be permitted for the duration of the work.** At the pre-construction meeting for this project, the contractor was told to ensure minimal inconvenience and adverse construction conditions during this project.
