PUBLIC NOTICE
The City of Oregon is planning to submit a National Pollutant Discharge Elimination System (NPDES) general permit for the City's Storm Sewer System to the Ohio Environmental Protection Agency by March 10, 2003. The permit is required under the Federal Water Pollution Control Act and the Ohio Revised Code Chapter 6111. Additional information regarding the said permit can be obtained at the following URL: <http://www.epa.state.oh.us/csw>. The permit submittal will include a proposed Storm Water Management Program (SWMP) which is to be implemented between the years 2003 and 2007. A draft of the City's Storm Water Management Plan and NPDES permit submittal is on file at the Department of Public Service Office for review and comment beginning January 27, 2003 through February 28, 2003. The submittal package is also available on the City's website at www.ci.oregon.oh.us for review and comment. The public is encouraged to view this document and provide input for this important undertaking.
