

Attention City of Oregon Residents

Trash Collection Update

The City of Oregon will be changing trash collection providers from **Waste Management** to **Republic Services** starting **December 1, 2019**. The City of Oregon will no longer offer curbside recycling after November 30, 2019, but will provide recycle drop off sites, as noted below, starting December 1, 2019. Please continue with curbside recycling through November, 2019.

Please read the following items that address frequently asked questions.

1. **The City of Oregon will continue to have weekly unlimited trash collection with bi-weekly large item pickup for all current curbside residential customers.**
2. **Republic will provide a five (5) day collection schedule per week. Attached is a map showing the collection day for your area. Refuse will need to be placed at the curb or along the pavement by 7:00 AM on the day of collection and no earlier than 8:00 PM on the night before.**
3. **Residents are encouraged to use your current recycle container for trash in addition to a 95 gallon (rolling) container that Republic Services will be providing all residents. All trash must be bagged and placed inside the containers as Republic Services trucks will be automated.**

Any trash that exceeds the capacity of the rolling containers may be bagged, or placed in approved 35 gallon or less containers (50 lb. maximum), and placed next to the rolling containers if necessary. Yard waste that cannot be placed in a bag or container (such as branches) may be bundled up and placed next to the containers in lengths of less than four (4) feet and less than two (2) feet diameter, and tied securely with twine.

4. **The City of Oregon will provide recycle drop off sites in conjunction with the Lucas County Solid Waste District. The sites are shown on the attached map.**
5. **The six (6) holidays observed by Republic Services are New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. If your collection day falls on or after one of these six (6) holidays, you will be serviced one day later.**
6. **Additional information will be attached to the 95 gallon container at the time of delivery. Cart delivery is tentatively scheduled for the week of November 25, 2019.**

The City of Oregon appreciates your patience and co-operation during this transition. If you have any additional questions or concerns you may call the Republic Services Call Center at (800) 234-3429 or visit the Republic Services website @ republicservices.com for complete rules and collection times, or call the City of Oregon Street Division at 419-698-7107.
