Frequently Asked Questions

Why a container?
Containers are safer, cleaner, have attached covers, have greater stability, are more impervious to animals and insects and provide a cleaner and more attractive-looking neighborhood.

Who do I call if I have questions or my cart is not picked up?
Call Republic Services at 800.234.3429. Our customer service department is staffed with live operations between the hours of 7 a.m. – 7 p.m., Monday through Saturday.

Can I put my address on my cart?
No. Excessive labeling of the cart tends to give the neighborhood a careless look and gives the appearance of graffiti.

What if my cart is severely damaged, lost or stolen?
Simply call Republic Services.

What time should I place my cart at the curb?
Solid waste carts may placed out after 8 p.m. the day before the scheduled pickup.

Please contact Republic Services at 800.234.3429 or RepublicServices.com/residents with questions.
