

INSTRUCTIONS TO FILE ESTIMATED TAX

Every taxpayer having or anticipating any income **underwithheld or not subject to local Withholding by Employer** needs to file a declaration setting forth the estimated annual income, together with an estimate of the amount of tax due when the tax liability is \$200 or more. April 17th of this year is the due date for filing the return and comparing your annual tax liability with what has already been paid. If you are uncertain as to whether or not you are required to pay estimates, please phone the Income Tax Office at 419-698-7034.

While **100% of your tax liability is due by April 17th**, Ohio Revised Code allows taxpayers two options in calculating *estimated* payments. They can either (1) pay 100% of their prior year (2017) tax liability in four equal payments, or (2) pay 90% of their 2018 tax liability on income as earned per calendar quarter. Regardless of which option is chosen, **payment due dates are April 17, 2018 for Voucher 1, July 31, 2018 for Voucher 2, October 31, 2018 for Voucher 3, and January 31, 2019 for Voucher 4.**

PENALTIES AND INTEREST

Penalty (not to exceed 15% the tax liability) and Interest (at the rate of 6% per annum) will be assessed against any taxpayer if the taxpayer fails to pay estimated tax by the due dates or if the total estimate payments made throughout the year are less than 90% of the total current year tax liability. If you are uncertain as to what to declare you can declare your prior year liability and avoid penalty.
